

Am I Participating?

I can earn my participation dollars when I follow everything on this checklist. I will complete this checklist for every class.

- Keep my eyes directed to the teacher (and board) when s/he is talking, and follow along.
- Complete work as requested by staff.
- Answer at least one question during the session.
- Problem solve if I am distracted:

When I am distracted, I can:

- ✓ Ask the teacher to repeat the question.
- ✓ Ask a student next to me for help if I don't know the page.
- ✓ Ask for a sensory item.

At the end of class ask yourself... did I do everything on this checklist? I can talk to the teacher if I have a question. If my checklist is complete, I was an active participant.
