2) If self-certifying...

 - Such as conditions in the SSA's *Blue Book*
- Certify that the condition has lasted or is expected to last for at least 1 year
- Input physician name, address, date of diagnosis
- Do not need to send in written diagnosis, but must have on hand

3) Permanent Disability?

How Can You Spend STABLE funds?

- Withdrawals must be used on “Qualified Disability Expenses”
 - Anything that (1) relates to your disability and (2) helps to maintain or improve your health, independence, or quality of life

Examples:

- Housing and Rent
- Basic Living Expenses
- Medical Bills
- Education
- Transportation
- Assistive Technology

Non-Qualified Expenditures

- Not illegal, but there are consequences

Affects Benefits

- The amount of the expenditure *may* now be considered a countable resource (but not necessarily)

Tax Penalties

- Pay taxes plus 10% penalty on the earnings portion of the withdrawal
- Ex: You contribute \$90 to your account, and you make \$10 in earnings – your balance is now \$100. You withdraw that \$100 but do not use it for a QDE. You must pay regular income taxes on the \$10 of earnings, plus an additional 10% penalty on that same \$10.

Spending From Your Account

Withdrawals

- Free + No Limits
- STABLE will not ask what you spend on, but benefits agencies and IRS can
- Transfer to personal checking or savings
- Third-Party Check
- Transfer to STABLE Card

STABLE Card

- Loadable debit card
- Does not pull from account
- Online spending records + notate expenses
- No commingling of funds with other accounts
- Protection – limiting of merchants, no cash access, no overdraft

SSI Considerations

- Balances over \$100,000 count as a resource – but SSI merely suspended, not terminated
- Beneficiary's own wages still count as income even if contributed to STABLE Account
- If you hold on to the money from one calendar month to the next, then housing expenditures and non-qualified expenditures count as resources

Medicaid Considerations

- Unlike with SSI, your account balance will not affect Medicaid benefits regardless of the amount
- If Beneficiary was on Medicaid and passes away, Medicaid can ask for payback... BUT! First, you can:
 - Pay any outstanding bills for QDEs
 - Pay for funeral and burial expenses
 - Deduct Medicaid Buy-In premiums you paid
- Payback is only from date the account was opened

Account Cost

- Online Enrollment is free
- \$50.00 minimum deposit to open account
- \$1.00 minimum for all subsequent deposits

Monthly Maintenance Fees

Ohio Residents

\$2.50 (\$30.00 Annually)

All other states

\$5.00 (\$60.00 Annually)

Asset-based Fees

Ohio Residents

Between 0.19% and 0.34%

All other states

Between 0.45% and 0.60%

STABLE vs. Special Needs Trust

- Complement, not competition, but...
- Some benefits specific to STABLE Accounts:
 - Cost-Effective
 - Broader spending power (i.e. housing)
 - Easy account access/closure
 - \$2,000 state tax deduction for STABLE contribution
 - No federal income tax on earnings
 - No separate returns to file
 - Can be established, administered, and owned by individual with disability
