

Monarch
Center for
Autism

A Division of Bellefaire JCB

JOIN US FOR A
Special Event

College Faculty & Administration are invited to attend an interactive, small group information session at Monarch School. Learn more about our world-renowned autism center, located in Shaker Heights, Ohio, that has provided educational, therapeutic and residential services to students ages 5 through 21 with autism for nearly 25 years. Meet Monarch's interdisciplinary leadership team from our [Education \(Intervention Specialists\)](#), [Speech-Language Pathology](#), [Occupational Therapy](#), and [Behavior departments](#), and learn about Monarch's unique visual language immersion treatment model. Discover various ways to partner with us, including:

- We offer internship, volunteer, and job shadowing opportunities for your college students
- We are looking to expand our team and offer a rolling hiring process throughout the year for new college graduates
- We provide free supervision hours for our new staff including SLP-CFs, RBTs, and BCBA/BCaBA trainees
- Students and job coaches from Monarch Transition Education Program are available to perform jobs on your campuses
- We welcome leisure skill collaborations between our students and yours
- We offer Monarch campus/program tours

Please join us for one of the following sessions and explore the many possibilities.

[Click here to register](#)

Tuesday, February 25 from 12-2pm (lunch provided)

Friday, March 21 from 9-11am (breakfast provided)

Kindly forward this invitation to colleagues whose students may benefit.
